# SHIRENEWTON GAMING GROUP

**Do you enjoy playing games? We do!**

**We are a friendly, fun, informal group with ages ranging from 14 to 48, who enjoy playing tactical and strategic games of all sorts. We play tabletop miniatures' games, board games and everything in between.**

**At the moment we are playing...**

- **Field of Glory:** a classic, tactical ancient army wargame. DBM/DBA, Impetus, Warmaster, Flames of War, 40K and similar games from any period or genre welcome.
- **Uncharted Seas:** a superb easy to learn fantasy naval miniatures game. Cannon, ramming, boarding actions and magical attack.
- **Blood Bowl and Space Hulk:** two of Games Workshop's most fun games. Looking to start a Blood Bowl league.
- **Monsterpocalypse:** tactical battles between giant monsters and troops. Godzilla vs. the invaders from Mars! Smash buildings, trample enemy tanks – the Japanese "Gaiju" genre for your tabletop.

**Coming Soon...**

**Warmachine/Hordes:** skirmish level steampunk war robots and monsters in battle. **Full Thrust:** squadron level starship combat miniatures game. **Infinity:** far future strike force combat; man vs. man vs. alien.
